

A PROUDLY NIGERIAN COMPANY WITH GLOBAL APPEAL

Our Vision

To be a world class company that provides total creative solution in the management and service of promotional materials, personalization, and recognition products.

Our Mission

We will be the preferred brand in our industry by redefining standards, delivering outstanding customer service and exceptional creativity.

...go world-class!

Creative Approach

Our team of creative people enable us to maximize the use of creative thinking and provide successful outcomes. We therefore listen, innovate, and deliver results. We build intelligent promotional material solutions for highly effective marketing & procurement outcomes, offering maximum flexibility to meet our clients specific needs.

Capacity & Integrated Approach

Over the years, we have profiled our clients; both individuals and corporates and realized that the solution to flexible and fast delivery time without compromising quality lies in in-house capacity with various customization and personalization equipment as well as very creative designers. We also stock various products and our network of suppliers across the globe enable us to stock unique products, which include executive collection, brand names, premiums, promotional materials, souvenirs, timeless keepsakes, awards, etc. On display in our world class showroom are over 1,000 products. The central focus for us is brand control, quality, cost savings and fast turn around time.

Proudly Nigerian Designs & Products

As part of our strategic business decision for import substitution, we design and produce some of our promotional products, souvenirs and awards in Nigeria, for some of them we use locally made materials with afro-centric designs.

At Dugo, we believe that quality has no country of origin. Our proudly Nigerian products are called
