

PROFILE OF CORPORATE MAGIC LTD

Welcome to our world of promotional items!

Corporate Magic ltd is a Corporate and Promotional Merchandising Company specializing in Promotional , Incentive Awards, Conference materials, Point of Sale Materials, Design and print production of leaflets, posters etc.

Our promotional items are distinctively and uniquely customized for our clients to enhance product and service visibility. So be it Clocks, t-shirts, caps, umbrellas, mugs etc you will find our trade mark of excellence.

Our competitive edge is our *in –house branding ,production and technical facility* where we have the best brands of machines in the global market for processes like Monogramming, Transfer/Sublimation, Rotary screen printing, Mug press, Plotter- flex/flock, Print and cut, foil print, embossing, Doming, laser engraving , litho and large format. This ensures hands on control every time.

We supply wooden, crystal, acrylic incentive and recognition awards such as trophies, plaques, medals and badges, sourced from many partner organizations around the world. .

Our Uniform and Corporate apparel department with the full compliment of an in-house garment production facility, designs and customizes Corporate Uniforms, graduation gowns, Lab coats, Aprons, Overalls, Hawkers bibs etc for Schools, Churches, Corporate Organizations and more . .

Our Values are: *ICRP-Integrity, Creativity, Resourcefulness and Prompt delivery* with a mission to deliver branded promotional products and services of the highest standard in the most timely, cost effective and professional manner. .

Our resources are backed with experienced, well trained technical staff whose skills and commitment to details are indeed our pride and the customer's delight.

We are working with such organizations like Friesland Campina, Flour Mills Nig.Plc, Etisalat, Diamond Bank, FCMB, Pharmaceuticals, NIPEN(Bic), May & Baker, Honda, Dangote PLC, DUFIL Prima/Indomie, Schools, Activation and Advertising Agencies.

Our aim is to *add real value* to our client's image.
